PUBLIC MEETING NOTICE

East Aurora, N. Y., October 15, 2014— The United States Department of Agriculture (USDA) - Natural Resources Conservation Service (NRCS) gives notice that it will hold the annual NRCS Local Work Group meeting for Erie and Wyoming Counties. These meetings are open to the public.

WHEN: November 13, 2014

TIME: 10:00am-12:00pm

WHERE: Warsaw USDA Service Center

31 Duncan Street

Warsaw, NY 14569

The Local Work Group will focus on identifying agricultural and natural resource issues existing in your community and providing information and feedback to direct NRCS programs. Participants can be agricultural producers; owners of nonindustrial private forest land; representatives of agricultural and environmental organizations; and representatives of governmental agencies carrying out environmental, agricultural, or natural resource conservation programs and activities.

NRCS Local Work Groups are subcommittees of the NRCS State Technical Committee and they meet annually to provide recommendations on local natural resource priorities to assist USDA NRCS in providing Farm Bill program conservation programs in New York. For information about the State Technical Committee, contact Assistant State Conservationist for Programs, Tammy Willis at 315-477-6503.

To participate in your local conservation work group, visit your USDA Service Center. Directions and phone numbers to your local USDA Service Center can be found online at <http://offices.sc.egov.usda.gov/locator/app?state=NY>.

USDA-NRCS is an Equal Opportunity Employer and Provider.
